I just sent the referenced documents to Bob asking for his review and input. Also changes to his bookkeeping format beginning January 1, 2017.

Looks like last year's SWFM cost was \$39,900.94. I don't think I've captured everything and I'm hoping that Bob can help us focus this presentation. My goal is to have 2 parallel (similar) and interconnected presentations that communicates to us effectively.

Let me know your thoughts.

Can you help convince Bob to participate here?
